Career history

August 2002 - present

Web/print designer and consultant

Salem Mountain Design Group
<http://www.salemmountain.com/>
Waymart, PA

Produce creative web and graphic design for a variety of clients, including larger agencies, small businesses, the medical industry, and the non-profit sector.

January 2001 - August 2002

Creative director/senior developer

Plexus Scientific Corporation
Alexandria, VA

Designed and developed web and print materials. Managed design team and coordinated with administrative and development teams. Conducted high level client relations and employee reviews.

December 1997 - January 2001

Web/print designer and consultant

Corvus corax and Associates
Washington, DC

Produced web and print graphic design as federal government subcontractor. Managed and directed projects from kick-off through completion. Built a network of IT developers and subcontractors to satisfy a wide variety of my clients' needs.

October 1992 - December 1997

Art director/vice president

John Wine Design
Washington, DC

Designed and produced websites, print advertising, promotion, radio and TV spots, and marketing materials. Handled client positioning and relationships. Managed billing and new business development.

Education

Bachelor of Fine Arts

Graphic Design

The Corcoran School of Art and Design
Washington, DC

May 1992

Acquired skills

I have practiced graphic design in both print and electronic mediums for over ten years with a wide variety of clients.

Listening to clients, and bringing shape to their ideas through the design and creative process.

Business development, branding, marketing, product positioning, cold call sales, and closing the deal.

Advertising, illustration, typography, headline/copy writing, and photography.

Proficiency in html, word processing, page layout, pdf, drawing, photo manipulation, spread sheet, and knowledge of database applications.

Firm understanding of 4-color offset printing and color proofing.
